

Air Steril

Continuous hygiene,
all day, every day

Breathe easy with our eco-friendly Air Steril washroom units.

An advanced combination of five powerful technologies delivering
around-the-clock cleanliness and freshness for your washroom.

- Neutralises unpleasant odours
- Eliminates harmful bacteria and viruses
- Sterilises the air and all exposed surfaces
- Low energy units with coverage of 30m², 40m² and 50m²
- Continuous odour control
- 24/7 odour neutralisation, not just masking
- 99.9% reduction in airborne viruses, bacteria, and fungi
- Real-time air purification, not just filtration
- Supports HSE workplace health obligations
- Documentation for insurance and compliance audits
- Healthier workforce = higher productivity
- From as little as 40p a day
