

AirFusion

Aircare at it's best

AIR
FUSION

Lemon

AirFusion is a range of top quality European made aerosols for all 270ml fragrance dispensers. Air Fusion has been designed by Europe's leading fragrance house and is an effective solution for all odour control.

AirFusion will provide Aircare that transforms all areas, not only effectively eradicating the odour at source but also enhancing with a long lasting, vibrant, relaxing and tranquil fragrance. The new, exciting, odour-control range combines a 100% natural essence with micro-propellant technology. This ensures odour control continues long after the initial burst.

LEMON

A crisp slice of freshly cut lemon with a sharp, tangy over note. Instantly provides a citrus sensation and one of the best fragrances for challenging areas.

OCEAN

Offers a cool breeze with a natural Cedar, Citrus and Floral undertone that combine to create your fresh clean message.

MANGO

Melon and peach combine with a natural tone of summer mango. A popular fragrance to uplift all areas.

APPLE & CINNAMON

Warm and comforting the spiced apple instantly kicks in with the fiery cinnamon like an apple pie with a whisky overcoat! A lovely relaxing fragrance for those cold Autumn and winter days!

BUBBLE GUM

Fruit salad and Black Jacks create a fun fragrance that is great for changing areas and schools as it is for any area that wants to be transformed to a massive block of hubba bubba!

BERRY

Sweet as a strawberry sundae combined with hints of tangy blueberries and a floral due creating a lovely

FUSION GOLD

Always believe in the new Golden era of the premium fragrance. These fragrances are the highest quality and have the largest fragrance content on the market! Designed and delivered by Fusion Air we recommend the following fragrances as our premium offering:

GOLD FANTASIA | A perfume with masculine dominated tones. Fantasia will spice up any area with a burst of aromatic essences.

GOLD OVATION | No one does a female fragrance like ovation gold with hints of violet, bamboo, musky ambrette and floral notes, it checks every box.

GOLD RARE | A young designer female fragrance. With notes of orange, rose and heady patchouli, it is a totally seductive perfume that will last for a long while giving you a sensory overload.

GOLD PREMIERE | Citrus notes will hit your senses with a massive crashing wave of fresh summer air. Premiere is light and clean with a floral base that will uplift any area.
